# THE JOURNEY OF TASTE

01

## **JUICES**

FRESHLY SQUEEZED FOR A  
GOOD START INTO THE DAY

02

## **COFFEE, ESPRESSO & TEA**

FRESHLY GROUNDED OR  
PERFECTLY TEMPERED

03

## **INDUCTION**

ENERGY-SAVING AND  
MODERN COOKING

04

## **COOLING**

PERFECTLY TEMPERED  
FOR OPTIMUM ENJOYMENT

A healthy lifestyle is more than just a question of exercise and balance - it starts with the daily habits that nourish and energise us. Making a conscious decision in favour of healthy eating habits lays the foundation for greater well-being and quality of life. A fresh juice made from seasonal fruit or a soothing, aromatic coffee can be just as much a part of your daily routine as a balanced breakfast.

Together with a conscious selection of foods and the right products from CASO Design, a healthy lifestyle can be easily integrated into everyday life - for more vitality and a lasting sense of well-being. And at the end of the day, a cool drink is the perfect way to relax.

### CP 400 Lift Citrus juicer

Art. No. 3562

- + Compact and powerful electric citrus juicer
- + **Universal squeezing cone** for all common citrus fruits from limes to grapefruit
- + **Clean and hygienic handling thanks to automatic start-up** - pressing process through vertical and rotating pressing movement
- + Optimum juice yield thanks to efficient pressing process
- + Container with **practical spout stop** - for direct filling into the glass
- + Very easy to clean, individual parts can be removed and dishwasher-safe
- + Suction feet for a secure stand

20 bar  
ULKA Pump

milk foam

Hot or cold

Hot  
Chocolate

Also suitable for  
plant drinks

Induction  
technology

## PremiumLatte XL

Induction milk frother

Art. No. 1667

- + **Big digital induction milk frother for creamy, fluffy milk foam**
- + Practical and versatile pleasure - **ideal for hot and cold milk drinks**
- + **Conjures up perfect micro-fine milk foam from milk, oat or soya drinks**
- + **High-quality, removable stainless steel milk frothing container - makes it easy to pour out the milk**
- + **Versatile milk enjoyment thanks to 9 functions**, e.g. hot milk foam, few milk foam, warm milk, warm plant-based drink, hot chocolate, etc.
- + LED function display with rotary knob for function selecting
- + Milk foam is suitable as an alternative to cream, e.g. for cakes, milkshakes, ice cream, etc.
- + 1 l stainless steel container with 2 filling options:
  - Up to 750 ml milk foam from 350 ml milk
  - Hot milk up to 720 ml
- + With 2 stirrer inserts: 1x insert without spiral and 1x insert with spiral
- + Hygienic and easy to clean - milk frothing container, lid and stirring unit are dishwasher-safe

Stainless steel  
heating element

Saves up to 50%

Energy, water and time  
compared to kettles

Free water filter

Particularly quiet

## HW 620

### Turbo Hot Water Dispenser

Art. No. 1892

- + **Perfect for the preparation of tea, instant coffee, instant noodles and baby food**
- + **Time-saving: hot water in just a few seconds thanks to powerful 2600 watt**
- + **Energy-saving: ca. 50% less than conventional electric kettles**
- + **High quality stainless steel heating element**
- + 7 pre-set quantities as required: 100 / 150 / 200 / 250 / 300 / 350 / 400 ml and continuous
- + **13 different temperature settings: 40 – 100 °C (in 5 °C intervals) and without heating**
- + Removable, easy-to-fill 2.5 liter water tank
- + **Direct selection button for preparation of baby food (37 °C)**
- + **Integrated reminder for descaling and filter change**
- + Elegant design in high-quality stainless steel
- + Incl. water filter for perfect water quality

Fast as gas

Energy-saving  
up to 50 %

Safe thanks to  
pot detection

Heat only in the  
base of the pot

Ready to plug  
induction hob

### ProSlim 3500

#### Double induction hob

Art. Nr. 2237

- + **Ultra-flat design hob with high-quality all-glass surface**
- + **Versatile, flexible uses**, also perfect for small apartments, outdoor kitchens, etc.
- + Also ideal for keeping food warm and cooking at the table
- + Intuitive sensor touch screen with easy-to-read LED digital display
- + **Automatic pot recognition for induction cookware (from 12 - 24 cm Ø)**
- + Quick and efficient cooking with 10 power levels up to 3.500 watts (combined)
- + 10 adjustable temperature levels from 60 – 240 °C in 20 °C intervals
- + Practical timer function up to 240 minutes
- + Protection against overheating and **'Auto OFF' function** ensure added safety
- + Child safety lock function
- + Hygienic and easy cleaning thanks to all-glass surface

### BBQ Deluxe R Smart

BBQ cooler with smart control – door hinge right / left

Art. No. 707 / 708

- + Design barbecue cooler with digital touch display and compressor technology
- + High-quality stainless steel housing – Ideal for interior and exterior use (e.g. for covered terraces)
- + Can be controlled from anywhere via the integrated **Wi-Fi module with the CASO app**
- + Temperature levels adjustable in 1 °C steps (approx. -1 to 10 °C)
- + A lot of space for beverages and foods due to ca. 63 l interior volume
- + 3 practical iron chrome shelves
- + **3-layer, tinted UV safety glass for optimal sun protection and reliable cooling of the drinks and foods**
- + Lockable door with self-closing mechanism reliable cooling
- + **Interior made of hygienic stainless steel for an easy cleaning**
- + Connectible LED interior illumination

## BBQ Deluxe L Smart

BBQ cooler with smart control – door hinge right / left

Art. No. 709 / 710

- + Design barbecue cooler with digital touch display and compressor technology
- + High-quality steel housing with matt black weather-resistant powder coating
- + Ideal for interior and exterior use (e.g. for covered terraces)
- + Can be controlled from anywhere via the integrated Wi-Fi module with the CASO app
- + Temperature levels adjustable in 1 °C steps (approx. -1 to 10 °C)
- + A lot of space for beverages and foods due to ca. 63 l interior volume
- + 3 practical iron chrome shelves
- + **3-layer, tinted UV safety glass for optimal sun protection and reliable cooling of the drinks and foods**
- + Lockable door with self-closing mechanism reliable cooling
- + **Interior made of hygienic stainless steel for an easy cleaning**
- + Connectible LED interior illumination
